Develop tools, resources, training, and events to enable delivery		
	Total Maximum Cost	£18,837,000

OBJECTIVE 2 SUPPORTING CAREERS LEADERS

Activities:	Key Performance Indicators:	Costs inclusive of VAT and expenses:
1. Scale delivery of Careers Leaders training and bursaries		

Continue to scale the delivery of

ST Classification: OFFICIAL PERSONAL

Development – continued roll out to the scaling Careers Hubs	All new ECs to be offered SEND induction training By Oct 23
Targeting – developing sector identified resources to remove barriers to accessible careers education Deliver a cost- effective Careers Leader training pilot to Independent Special Schools and ITPs	Scope a pre-Hub Activation Offer for Independent special schools and specialist colleges Extended pilot of 15 Independent special school and specialist college CLT places to be delivered blend of face to face and distance learning
Develop a National Careers Impact Review System Develop and implement a National Careers Impact Review System	By March 2023: Full pilot undertaken for Careers Impact System and integration into Careers Hub model with requisite elements of: Peer-to-peer review Expert support External challenge

30 pilot reviews delivered across varying contexts and types of review. Reviews to cover:

- 10 schools requiring intervention/support
- 5 schools achieving 7 to 8 Gatsby Benchmarks
- o 5 colleges

peer reviews (16-24 schools and colleges)

Provide feedback and learnings from the pilot (on-going)

Scope digital requirements to scale Careers Impact Review System

3. Develop digital tools to support Careers Leaders

Increase usage of Compass+ in schools

Provide support for Careers Leaders and schools to upgrade and onboard to Compass+

Provide guidance, and support for Careers Leaders on best practice usage of Compass+ to increase meaningful use of the system

Encourage schools to include students' feedback on the direction of their careers provision

Decommission Compass/Tracker 'Classic'

Significant further development of Compass +

Analyse Compass+ to explore approaches to provision and publish anonymised Compass+ data

By March 2023:

2,700 schools to have their MIS connected to Compass+

1,300 schools frequently using Compass+ to deliver pupil-level provision

400 schools completed at least one Future Skills Questionnaire survey

Decommission Compass Classic / Tracker and migrate users to revised Compass+ version which allows use without MIS integration of student data

Compass+ development to include migration to new MIS integrator, Future Skills Questionnaire enhancements, Compass evaluation rebuild in Compass+, student communication integration (for example information about apprenticeships), 'who's missing out' data view, internal survey tool discovery, inclusion of data about technical and vocational routes, pilot/proof of concept of digital Careers Leader tools for FE colleges and independent training providers

Further development of Careers Leader digital journey, including single sign-on and improvements 0BT/F2 12 Tf1 0 0 1 36m0 gd8.58 Tr

	Development of resources and processes to enable the customer services team to support schools in moving to Compass +, to increase usage and to support migration to new MIS Integrator Carry out bespoke Compass+ analysis projects to explore different approaches to provision Pilot sharing anonymised Compass data on the CEC website for users to manipulate (e.g., by region, type of institution, disadvantage, Careers Hubs) By August 2022 (carried over from FY 21-22):	
	2,500 schools and colleges onboarded to Compass+	
	Continue to support data transfer allowing Careers Leaders to import careers activities data from other tools into Compass+	
	By August 2023: (for information only)	
	3,000 schools to have their MIS connected to Compass+	
	1,500 schools frequently using Compass+ to deliver pupil-level provision	
	500 schools completed at least one Future Skills Questionnaire survey	
Digital products and customer support	By March 2023:	
	Achieve at least 90% customer	
Provide users of our digital products with effective "self-	satisfaction for the Digital Products Help Centre	
serve" first line	Achieve at least 90% customer
